Commander-

Here is my (close to final) DRAFT presentation for the 1130 HWD UOFRB. We have addressed the 20 Feet Issue and as well as the Pinto (SWAT response) issue. I will be finalizing again in the morning. There is a mention of OWB training (I had discussed this with the Chief) related to the Pinto issue. Look forward to speaking with you in the morning.

Good Evening,  
Cory
